ASSOCIATE COMMISSIONER FOR JUVENILE JUSTICE PROGRAMS (ACS)

Duties and Responsibilities

This is a management class of positions.

Under executive direction, with the widest latitude for the exercise of independent initiative and judgment, provides overall management and supervision on an array of services and programs that involve youth at every stage of the juvenile justice process. Performs related work.

Examples of Typical Tasks

In collaboration with the Division of Youth and Family Justice's (DYFJ) Associate Commissioners, provides ongoing and comprehensive treatment, innovative youth programming opportunities and educational and service planning in all areas of DYFJ.

Develops and implements policies and procedures for the division's juvenile justice programs and services.

Coordinates efforts to create consistent, integrated, culturally competent clinical service delivery models for health, mental health, case management, and social services for youth and families at all stages of the justice continuum and in all divisional areas.

Oversees and continuously improve upon all DYFJ's vast array of youth programming and services throughout the juvenile justice spectrum.

Works closely with divisional leadership to help design, create, build and implement appropriate classification and program models in detention that are responsive to social, behavioral, medical, and mental health needs and issues of youth.
